2015-2016 Sustainable Stanford Internship Position Description

Campus Department – Department Division/Office: R&DE Student Housing

Position Supervisor: Kristin Parineh

Position Title: Green Cleaning Intern

Position Description: The R&DE Student Housing Sustainability Programs Office is looking for an intern to assist in rolling out green cleaning systems to residences. The intern will assist in analyzing data on chemical usage and performing return on investment calculations. The intern will work with custodial staff and students to educate them on the new systems and ensure they are working as planned through surveys and site visits.

Position Length:
Entire 2015-2016 academic year

Opportunities and Benefits:
- Learn about campus sustainability and gain project management experience in designing and implementing projects.
- Work collaboratively with others on educating and advocating for positive campus change.
- Develop professional management, communication, and leadership skills.
- Develop relationships with sustainability leaders on and off campus.
- Learn about careers in sustainability.
- Make a real impact!

Qualifications:
- Eager to learn about and advocate for conservation and sustainability; creative and enthusiastic.
- Effective written and oral communication skills.
- Can work well independently as well as collaboratively.
- Organized, self-motivated and accountable for work.
- Able to commit the required weekly 3-8 hours of work.

Salary:
Hourly salary at a rate of $13-15/hr

To Apply:
Please provide a resume and cover letter stating your interest and experience by email to mkearns@stanford.edu. **Deadline is Monday, May 11.** Interviews will be held during the week of May 18-22 and hiring decisions will be announced by May 29.
