2015-2016 Sustainable Stanford Internship Position Description

**Campus Department – Department Division/Office:** R&DE Student Housing

**Position Supervisor:** Kristin Parineh

**Position Title:** Green Cleaning Intern

**Position Description:** The intern will assist in assessing the ROI of installing a green cleaning system across R&DE Student Housings building portfolio as well as help with user feedback and custodian training and education.

**Position Length:** Entire 2015-2016 academic year

**Opportunities and Benefits:**
- Learn about campus sustainability and gain project management experience in designing and implementing projects.
- Work collaboratively with others on educating and advocating for positive campus change.
- Develop professional management, communication, and leadership skills.
- Develop relationships with sustainability leaders on and off campus.
- Learn about careers in sustainability.
- Make a real impact!

**Qualifications:**
- Eager to learn about and advocate for conservation and sustainability; creative and enthusiastic.
- Effective written and oral communication skills.
- Can work well independently as well as collaboratively.
- Organized, self-motivated and accountable for work.
- Able to commit the required weekly 3-8 hours of work.

**Salary:**
Hourly salary at a rate of $13-15/hr
To Apply:
Please provide a resume and cover letter stating your interest and experience by email to mkearns@stanford.edu. Deadline is Friday, October 2. Interviews will be held during the week of October 5 and hiring decisions will be announced by October 9.
