2015-2016 Sustainable Stanford Internship Position Description

**Campus Department –Department Division/Office:** R&DE Student Housing

**Position Supervisor:** Kristin Parineh

**Position Title:** Water Efficiency Intern

**Position Description:** The R&DE Student Housing Sustainability Programs Office is looking for an intern to assist in auditing graduate student residences to ensure there fixtures comply with low flow standards and to assist in water conservation messaging to graduate student families. The intern will work with students to gain access to their spaces, will perform the audits, analyze the results and water savings potential, coordinate with maintenance staff to make changes, and convey the benefits to residents.

**Position Length:**
Entire 2015-2016 academic year

**Opportunities and Benefits:**
- Learn about campus sustainability and gain project management experience in designing and implementing projects.
- Work collaboratively with others on educating and advocating for positive campus change.
- Develop professional management, communication, and leadership skills.
- Develop relationships with sustainability leaders on and off campus.
- Learn about careers in sustainability.
- Make a real impact!

**Qualifications:**
- Eager to learn about and advocate for conservation and sustainability; creative and enthusiastic.
- Effective written and oral communication skills.
- Can work well independently as well as collaboratively.
- Organized, self-motivated and accountable for work.
- Able to commit the required weekly 3-8 hours of work.
Salary:
Hourly salary at a rate of $13-15/hr

To Apply:
Please provide a resume and cover letter stating your interest and experience by email to mkearns@stanford.edu. **Deadline is Monday, May 11.** Interviews will be held during the week of May 18-22 and hiring decisions will be announced by May 29.
