2017-2018 Sustainable Stanford Internship Position Description

Campus Department –Department Division/Office: R&DE

Position Supervisor: Kristin Parineh

Position Title: Behavioral Change Intern

Position Description: Interns will assist in managing a September - June incentive program for custodians to reduce energy usage, report leaks, and correctly sort waste at corrals in student residences. Interns will build relationships with custodians and assist with auditing residences, rewarding high achievers, and education on why these efforts are important. Interns will also help gather data to monitor the effectiveness of the program. Both graduate and undergraduate students are encouraged to apply.

Position Length:
Entire 2017-2018 academic year

Opportunities and Benefits:
- Learn about campus sustainability and gain project management experience in designing and implementing projects.
- Work collaboratively with others on educating and advocating for positive campus change.
- Develop professional management, communication, and leadership skills.
- Develop relationships with sustainability leaders on and off campus.
- Able to commit to the required weekly 3-8 hours of work.
- Learn about careers in sustainability.
- Make a real impact!

Qualifications:
- Eager to learn about and advocate for conservation and sustainability; creative and enthusiastic.
- Effective written and oral communication skills.
- Can work well independently as well as collaboratively.
- Organized, self-motivated and accountable for work.
- Able to commit the required weekly 3-8 hours of work.

Salary:
Hourly salary at a rate of $15-17/hr

To Apply:
