

## 2019-2020 Sustainable Stanford Internship Position Description

**Campus Department – Department Division/Office:** R&DE Student Housing

**Position Supervisor:** Sea Gill

**Position Title:** Green Cleaning Intern

**Position Description:** Interns will assist with helping R&DE study the benefits of its green cleaning system. Responsibilities may include designing outreach materials, conducting a cost/benefit analysis of R&DE's green cleaning system and training residents to use the green cleaning systems.

**Position Length:**

Entire 2019-2020 academic year

**Opportunities and Benefits:**

- Learn about campus sustainability and gain project management experience in designing and implementing projects.
- Work collaboratively with others on educating and advocating for positive campus change.
- Develop professional management, communication, and leadership skills.
- Develop relationships with sustainability leaders on and off campus.
- Learn about careers in sustainability.
- Make a real impact!

**Qualifications:**

- Eager to learn about and advocate for conservation and sustainability; creative and enthusiastic.
- Effective written and oral communication skills.
- Can work well independently as well as collaboratively.
- Organized, self-motivated and accountable for work.
- Able to commit the required weekly 3-8 hours of work.

**Salary:**

Hourly salary at a rate of \$16-17/hr

**To Apply:**

Please provide a resume and cover letter stating your interest and experience by email to [ruckerae@stanford.edu](mailto:ruckerae@stanford.edu) **Deadline is Wednesday, April 10, 2019.** Interviews will be held through early May and hiring decisions will be announced by **May 14, 2019.**
