2016-2017 Sustainable Stanford Internship Position Description

Campus Department – Department Division/Office: R&DE Student Housing

Position Supervisor: Kristin Parineh

Position Title: Utilities Intern

Position Description: The intern will assist with a number of initiatives aimed at better understanding and reducing our energy and water usage. For example, analyze real time meter data to determine how operational schedule and equipment changes reduce consumption, as well as behavioral change.

Position Length:
Entire 2016-2017 academic year

Opportunities and Benefits:
- Learn about campus sustainability and gain project management experience in designing and implementing projects.
- Work collaboratively with others on educating and advocating for positive campus change.
- Develop professional management, communication, and leadership skills.
- Develop relationships with sustainability leaders on and off campus.
- Learn about careers in sustainability.
- Make a real impact!

Qualifications:
- Eager to learn about and advocate for conservation and sustainability; creative and enthusiastic.
- Effective written and oral communication skills.
- Can work well independently as well as collaboratively.
- Organized, self-motivated and accountable for work.
- Able to commit the required weekly 3-8 hours of work.

Salary:
Hourly salary at a rate of $15-17/hr

To Apply:
Please provide a resume and cover letter stating your interest and experience by email to mbrightwater@stanford.edu. Deadline is Wednesday, May 4, 2016. Interviews will be held during the week of May 16 and hiring decisions will be announced by May 31, 2016.
