2016-2017 Sustainable Stanford Internship Position Description

Campus Department – Department Division/Office: R&DE Student Housing

Position Supervisor: Kristin Parineh

Position Title: Zero Waste Intern

Position Description: The intern will assist with collecting metrics on landfill diversion, educational campaigns and actual roll outs of composting and recycling infrastructure in residences.

Position Length:
Entire 2016-2017 academic year

Opportunities and Benefits:
- Learn about campus sustainability and gain project management experience in designing and implementing projects.
- Work collaboratively with others on educating and advocating for positive campus change.
- Develop professional management, communication, and leadership skills.
- Develop relationships with sustainability leaders on and off campus.
- Learn about careers in sustainability.
- Make a real impact!

Qualifications:
- Eager to learn about and advocate for conservation and sustainability; creative and enthusiastic.
- Effective written and oral communication skills.
- Can work well independently as well as collaboratively.
- Organized, self-motivated and accountable for work.
- Able to commit the required weekly 3-8 hours of work.

Salary:
Hourly salary at a rate of $15-17/hr
