2021 STANFORD LAB GRAB
(formerly known as the Lab Share)

November 10, 2021, LKSC Lawn
(Fairchild Atrium if rainy)

Supply drop-off 10 am - 11 am, Lab Grab 11 am - 3 pm

Got Clutter?
If you have unused equipment or supplies that need to be eliminated from your lab, drop them off at the Office of Sustainability’s annual lab grab as follows:

1. Gather up your uncontaminated items
2. Make sure they are clean and disinfected according to EH&S guidelines
3. Bring items to the lab share on LKSC lawn on November 10, 2021 (Fairchild Atrium as backup in case of rain)

Questions? Contact Logan Leak at lleak@stanford.edu

Items donated need to stay on campus
