Position Title: Zero Waste Intern

Campus Department –Department Division/Office: R&DE Student Housing

Position Supervisor: Kristin Parineh

Salary: Hourly salary at a rate of $18/hr

Position Description: Are you looking for a way to help the University achieve its Zero Waste goal by 2030 and learn about the world of sustainable materials management? This internship will work with the Zero Waste Systems Manager to implement the Zero Waste Building Plan in buildings on campus. Interns will help install signage and infrastructure, help with outreach and education, monitor and audit behavior, and collect and analyze data in an effort to reduce the waste coming out of student residences and dining buildings on campus.

Position Length:
Entire 2021-2022 academic year

Opportunities and Benefits:
• Learn about campus sustainability and gain project management experience in designing and implementing projects.
• Work collaboratively with others on educating and advocating for positive campus change.
• Develop professional management, communication, and leadership skills.
• Develop relationships with sustainability leaders on and off campus.
• Learn about careers in sustainability.
• Make a real impact!

Qualifications:
• Eager to learn about and advocate for conservation and sustainability; creative and enthusiastic.
• Strong written and oral communication skills.
• Can work well independently as well as collaboratively; able to commit the required weekly 3-8 hours.
• Organized, self-motivated and accountable for work.
• Students of all majors, interests, and backgrounds are encouraged to apply. Both undergrads and graduate students are welcome.

To Apply:
Please provide a resume and cover letter stating your interest and experience by email to kparineh@stanford.edu. Managers will coordinate interviews directly with each candidate over the summer.
